To the Port Health Authority,
C A E R N A R V O N .

Gentlemen,

I have the honour to submit to you my annual report for the year ended 31 st December 1953.

One vessel arrived from foreign port with a cargo of timber. Enqueies were made as to the condition of the health of the crew, and there was no history of any disease during the voyage.

Infectious Diseases. No cases were notified during the year.

Food. No meat or foreign food is imported.
The oyster bed on the Anglesey side of the Straits remains unused.
The mussel bed at Tan y Foel has been discontinued following an adverse Bacteriological Report.

Enclose is an account of the work of the Port Health Inspector.

I am, Gentlemen,
Yours faithfully,

R. Gwynn Thomas

Port Medical Officer.
